effectiveness

What sets Lubricity Xtra apart is its unique formulation and effectiveness in providing relief from cotton mouth. With its carefully selected ingredients, including Hyaluronic Acid and Xylitol, Lubricity Xtra mimics the natural lubricating properties of saliva. Additionally, its alcohol-free, sugar-free, and gluten-free formula, along with its vegan-friendly composition, make it stand out as a versatile and accessible option for individuals seeking relief from any situation.

- Strawberry or Mint flavors
- Premium Hyaluronic Acid
- Convenient travel size bottles
- Alcohol, Sugar, and Gluten Free
- Vegan-Friendly
